

# LIVE VIRTUAL COACHING

Change the Way  
You Think About  
Consulting

At Lean Focus, we're not your everyday career consultants—we're hands-on practitioners that have held top leadership positions in world-class companies. We have global experience, an enterprise-wide focus, and a diverse industry background. We use a hands-on approach to execute side-by-side with the shop-floor all the way to the C-suite. We teach leaders how to lead world-class, continuous improvement cultures that deliver sustainable results. A "who's who" of global leaders in every industry, our clients include some of the world's most respected brands and several members of the Fortune 1000.
