

Kaizen360

from Lean Focus ToolSuite™

360-Degree Visibility of Kaizen at Your Fingertips

Is your strategy unhinged from Kaizens?
Is there poor visibility into which Kaizen
or problem-solving efforts are successful
and who is driving the change? Get a
clearer view of all your Kaizen events
with Kaizen360.

Kaizen360 Solves Major *Pain Points*

Enhance your ability to visualize all initiatives with centralized insights into every Kaizen event across your organization. It makes the journey from planning through execution and post-event analysis a more effective experience.

Losing Track of Status

Progress Tracking

Track the status and effectiveness of Kaizen events against set metrics and goals.

Poor Visibility

Centralized Control

Understand who is leading the initiatives, the objectives, and the methodologies employed.

Slow Deployment

Actionable Insights

When deploying tools, everyone knows exactly where to find them, who is using them, and can easily determine their effectiveness.

Lean Focus ToolSuite™

Kaizen360 is one of several apps that make up the Lean Focus ToolSuite™. Built on Microsoft's revolutionary Power Platform, ToolSuite™ utilizes tools and principles from the Lean Focus Business System™ (LBS™) to transform your business.

Simple

Easy-to-use experience that replicates the familiar Excel interface.

Secure & Reliable

Data security and availability are ensured without the need for individual file storage.

Adaptive

Versatile system designed for accelerated organization-wide deployment while meeting virtually all IT requirements.

Transforming Businesses for Good

With LBS™ tools from the Lean Focus ToolSuite™, you transform the foundation of your business—culture.

Establishing a Winning Culture

Through the use of ToolSuite™ you finally get the 'stickiness' needed to transform your company's culture. This cultural shift enables everyone to work together towards common goals, much like a championship team where each player understands their role and the team knows the strategies.

When everyone executes their part well, the organization achieves great success together, ensuring that the transformations are sustainable and long-lasting.
