EFFECTIVE ENGAGEMENT AND FACILITATION TRAINING

Design and Facilitate Events to:

- Drive rapid, measurable improvements by focusing teams on eliminating waste and solving root causes in real time.
- Build ownership and accountability by engaging the people who do the work in designing and implementing solutions.
- Strengthen cross-functional alignment through structured collaboration, shared problem-solving, and transparent decision-making.
- Accelerate learning and capability development by modeling Lean thinking, experimentation, and disciplined follow-through.
- Create momentum for continuous improvement by delivering visible wins and establishing habits that sustain change.

THREE CRITICAL ELEMENTS FOR EVENT SUCCESS:

1. Selecting the Right Kaizen Event Tools

2. Effective Event Planning and Logistics

3. Applying Adult Learning Theory
