A WORKSHOP TO RAPIDLY DEPLOY PROVEN I.P. PRACTICES ACROSS YOUR INNOVATION PROCESS

WHAT IS AN INTELLECTUAL PROPERTY STANDARD WORK KAIZEN EVENT?

A 4-day Intellectual Property Standard Work event for engineers and developers. Navigate the entire I.P. landscape, from patent search to application, ensuring rights protection throughout product development. The event covers Kaizen training, FTO, idea disclosures, and structuring a Patent Steering Committee. Equip your team with skills to align technology, IP, and product roadmaps, manage the I.P. funnel effectively, and implement reporting for a competitive edge in innovation.

4 WAYS THIS KAIZEN EVENT WILL INCREASE YOUR I.P. VALUE:

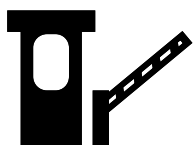

Expert legal training for your innovation staff so they will know how to:

- Recognize potential inventions
- Identify potential risks
- Document matters pertaining to I.P. properly

Present processes to align future development to harmonize:

- Strategic initiatives
- Product roadmaps
- Technology development & acquisition
- I.P. activities

Build every step of I.P. process into your phase-gate development system:

- Invention disclosure
- Freedom to Operate (FTO)
- Patent mining
- Patent application

Manage your entire patent portfolio:

- Create I.P. steering committee
- Create meaningful KPIs to drive consistent action
- Mentor internal inventors to maximize
